At Cal Dining you can purchase meal plans with the flexibility, convenience, and value you need while serving nutritious, local, and sustainable food.

Eat where you want, when you want
Cal Dining’s variety of locations offer sit-down and on-the-go options. Use your meal swipes at the dining commons or as a “meal equivalency” swipe at The Golden Bear Café or Brown’s. Use your flex dollars at campus restaurants, convenience stores, late night, and concession stands. You can use your flex dollars at the dining commons if you run out of meal swipes for the week. There’s no daily minimum or maximum flex dollar usage.

Spend less and save more
With flex dollars, you pay less than the cash price at the dining commons—on average almost $5 less per meal! You can also use your flex dollars for guests at a discounted rate at the dining commons. Get more for your money when you purchase add-on flex dollars— 110 flex dollars for $100 or 55 flex dollars for $50.

Leave stress behind
Don’t worry about grocery shopping, cooking, or washing dishes. With your busy schedule, you’ll find it easy to enjoy a filling, stress-free meal. Add flex dollars or check your balances or transactions online anytime you want at caldining.berkeley.edu.
Meal plans include a combination of meal swipes and flex dollars. Each week a specific number of meal swipes will be available for you to use. Any unused meal swipes will expire on Saturday at midnight each week and reset for the upcoming week.

Flex dollars work on a declining balance, with half the flex dollars available for each semester. Up to 100 flex dollars roll over from fall semester to spring semester. Choose a plan that works for you.
